## THE WARRIOR VISION

**The faculty, staff, and students of Hunters Lane High School will provide a nurturing environment where personal growth and responsibility are valued and academic excellence is a daily pursuit.**

### **ACADEMIC ACHIEVEMENT**

**At Hunters Lane High School we offer a rigorous and relevant curriculum that will provide each one of our students many opportunities to increase their academic achievement and to pursue a college career.**

#### **ACADEMIC ACHIEVEMENTS**

The following criteria must be met in order for students to be considered for Honor Roll or Principal's List.

- Honor Roll – Students must maintain a grade point average of 90 or above with no grade lower than 77.
- Principal's List – Students must achieve a grade point average of 95 or above with no grade lower than 93.

#### **CREDIT REQUIREMENTS**

Students can earn 8 academic credits per year. To graduate from Hunters Lane High School, students must earn 28 credits. Transfer students will need to talk to their guidance counselor to determine the number of credits needed for graduation.

#### **GRADING SCALE**

9-12

A = 100-90

B = 89-80

C = 79-70

D = 69-60

F = 59-50

50% is the lowest quarter or exam grade a student may receive.

Homework:

Homework will be weighted as 10% of the student's overall grade for the quarter in grades 9-12. Homework is best used to practice or reinforce what has been learned rather than to introduce new material.

Summative assessments:

Summative assessments will be weighted as 90-100% of the student's overall grade for the quarter. Examples of summative assessments may include, but are not limited to quizzes, tests, exams, major projects, research papers, major essays, presentations, performances, and anything that a teacher may grade to make a judgement of a student's ability level or their mastery of curriculum and content standards.

State Assessments:

For grades 9-12, students' scores on the End of Course Exam will make up 15% of the student's final grade for the school year in the subject areas of mathematics, ELA, science, and social studies.

### **SENIOR EXAM EXEMPTION POLICY**

Seniors, may be exempt from semester examinations if they meet the following criteria:

- Senior exam exemptions are determined by individual class attendance by semester. Students must not miss more than three (3) classes on a block schedule or six (6) classes on a traditional schedule. All absences (excused and unexcused) count toward exam exemption unless they fall within an exception. Absences due to college visits or recognized religious holidays (regularly observed by persons of the child's faith), will not be counted against the student, as long as proper documentation is provided. Students on school related field trips are not counted as absent from school.
- The student must have a minimum average of a 90 in the course for the semester average.
- The student must not have been suspended out of school or expelled during the semester.
- Seniors MAY NOT be exempt from exams that require End of Course testing. Seniors who are eligible for exemption cannot be required to take an exam; however, if the senior elects to take the exam, the grade must count and be recorded. If a senior is exempt from his/her final exam, the two nine-week grades will be averaged together to make up the semester grade, and an E (Exempt) will be placed in the gradebook for the final exam grade.

### **INTERNATIONAL BACCALAUREATE PROGRAM (IB)**

Established in Geneva, Switzerland in the 1960's, the International Baccalaureate Program is the most challenging educational option available to high school students in the State of Tennessee. Courses in this program taken during the junior and senior year require rigorous study in the following six subject areas:

Language A1 (student's spoken language; English)  
Language B (Student's second Language; French or Spanish)  
Experimental Sciences (Biology)  
Mathematics (Math Studies or Mathematics)  
Histories (History of the Americas)  
Group 6 (Visual Art, Music, or Psychology)  
Theory of Knowledge

In addition, students are required to complete a course called "Theory of Knowledge". This course is similar to a Philosophy course and requires students to complete an essay about world problems. Also required is a 4,000 work essay, and 150 hours of community service. Students who complete the program gain valuable knowledge and communication skills that prepare them for college and life in the outside world.

### **IB Honor Court**

Students that exhibit unethical behavior such as cheating, disciplinary problems, plagiarism, or dishonesty are subject to a disciplinary hearing in front of a teacher and student elected honor court. Students who appear in honor court are expected to complete the decided corrective actions. Failure to follow the recommendations of the honor court may result in removal from the IB Program.

### **STUDENT'S CLASSROOM RESPONSIBILITY**

1. Be present and on time to class each day.
2. Have all necessary materials for each class (book, planner, notebook, pencil, etc.).
3. Be alert, positive, and attentive.
4. Take notes as needed.
5. Develop consistent study habits at home.
6. Follow classroom and school policies.
7. Treat teachers and other students with courtesy and respect.

### **TEACHERS' CLASSROOM RESPONSIBILITY**

1. Explain the course expectations, grading scale, and classroom discipline policies so that they are fully understood by parents and students.
2. Explain and place on the board each day the objectives of the lesson, the standards to be covered, and the resultant homework.
3. Provide students at various levels of achievement with a reasonable chance of successfully completing assignments.
4. Inform students and parents of student's progress (academic and conduct).
5. Align curriculum with the K-12 and Graduate Standards.
6. Assess student's progress regularly and use results to drive instruction.
7. Treat students and parents with courtesy and respect.
8. Communicate (phone, e-mail, etc) with parents on a regular basis.
9. Implement Individual Education Plans (IEPs).

### **TEXT BOOKS**

All textbooks are scanned and then distributed to teachers who form classroom sets of books. If a teacher assigns a student a book to take home, that student is financially responsible for that textbook. Books damaged or lost must be paid for before a new book is issued. All financial obligations must be settled before receiving report cards, driver's license forms, graduation, withdrawing, transferring, or any other school functions involving school records.

## **SCHOOL POLICIES AND PROCEDURES**

### **ABSENCES**

After an absence from class or school, the student should bring a note from his/her parent(s) stating the reason for the absence. The note from home should be given to the attendance secretary on the day the student returns to school. The student will then be given an official receipt showing they submitted an excuse. This note must be presented to your teacher. Absences will be considered unexcused if the student does not bring a note from home.

All absences must be verified in writing within three (3) days from the parent or guardian. All absences for which no written verification is received will be considered unexcused.

EXCUSED ABSENCES ARE:

1. Personal illness
2. Illness in the family requiring the student's temporary help
3. Death in the family (not more than 3 days)
4. Recognized religious holiday regularly observed by persons of the child's faith
5. Court appearances or legal mandates

**TARDINESS TO SCHOOL**

Students must sign in at the attendance office whenever they are late to school. Students tardy to school twice within 5 days will be required to have an in- person conference with their Assistant Principal.

**EARLY DISMISSAL**

A student who wants to leave school early should bring a note of explanation from his/her parents and present it to the Attendance office by 8:40am. The note must include a telephone number where a parent can be reached. In an emergency, the student should report to his/her Academy Principal's office for parental contact. A student may not wait in the front lobby. They will be called down to the office from class. Under no circumstances should a student leave school without prior written permission from his/her Academy Principal. All students will be dismissed through the attendance office. In order to protect the safety of each student, dismissals by phone will not be permitted. All students regardless of their age must be signed out by a parent/guardian or have approved prior permission from parent/guardian. Students may not be dismissed during the last 30 minutes of the school day.

Leaving school without following the above procedure will result in disciplinary action.

Students who wish to participate in any extra curricular activity must be at school that day from 7:05 am-2:05 pm or they will not be able to participate in practice, games, events, concerts, plays, etc.

**ARRIVAL and DEPARTURE TIMES**

All make-up work is to be completed within one week unless the teacher makes other arrangements. Make-up tests will be administered at a time designated by the teacher. A student returning from an absence will be expected to take any test given on the day of his return unless the teacher approves a later testing time. Students are expected to keep up with their schoolwork during absences.

### **SCHEDULE CORRECTION POLICY**

Schedule corrections will only be done for the following reasons:

- The class has already been passed.
- A counselor's scheduling error.
- The student lacks prerequisite course.

After the second week of a semester, no student initiated schedule changes will be accepted including dropping IB, Advanced Placement, and Honors classes.

### **BUS TRANSPORTATION**

The note must contain the student's name, parent's signature, and phone number for verification. No notes will be approved after 9:00 AM. Students are expected to obey the rules and regulations of the bus. Failure to follow the above procedures could result in temporary suspension of bus riding privileges. The use of cell phones on the bus is strictly prohibited.

### **CELL PHONES and Personal Technology**

Students may use a cell phone and personal technology during hours of lunch and transition. Personal technology includes, but is not limited to, cellular phones, wireless earpieces, iPods, iPads, other mp3 players, calculators, and portable gaming devices. These devices are not to be used during instructional hours unless it is used as an aid to classroom instruction. This will be determined by the classroom teacher and building administrator, not the student. The student who possesses a cell phone/personal technology shall assume responsibility for its care. If a student is in violation of this policy, the item will be confiscated and the student will face disciplinary action.

A student who brings his/her device to school shall do so at his/her own risk. No searches or investigations will be conducted for lost or stolen devices. At no time shall Hunters Lane High School be responsible for theft, loss, or damage to cell phones brought onto its property.

### **DELIVERIES**

Student deliveries including balloons, gift baskets, flowers and food are not allowed at Hunters Lane High School. Such items cause disruptions to the learning environment. Food from delivery Apps and outside vendors (Uber Eats, Door Dash, McDonald's, Sonic, etc.) will not be permitted at any time during regular school hours. The above mentioned items are also not allowed on campus regardless if they were delivered or not.

### **LUNCH SCHEDULE**

The lunch schedule will consist of a one-hour lunch (approximately). Students will have the luxury of eating in areas outside of the cafeteria (must be on campus, no one is to leave) and participating in teacher-supervised clubs, intramural sports, tutoring, and taking advantage of other opportunities such as going to the library, guidance department, etc.
